

think we should be doing or not doing.

The cooperative belongs to us, not to the board or the attorney or to the management company. The board is there to represent you.

Should I be elected, I promise to share with you to the best of my ability the issues being voted on so you can let me know your wishes and concerns in regards to how you want me to vote.

Thank you for taking the time to read my resume and for voting.

Sheryl Frank Is Good Neighbor for September

Marchetta Sneed admires and appreciates her neighbor, Sheryl Frank.

“Sheryl always helps me with carrying groceries and she has shoveled snow for me,” Marchetta said. “She is a good and caring person.”

That’s why Marchetta nominated Sheryl as the Good Neighbor of the Month for September.

“It is security for me knowing someone is nearby to help me,” Marchetta said.

She said Sheryl also brings her food occasionally such as pies and other desserts.

The Good Neighbor award recognizes members who exemplify the special spirit of cooperation that makes Independence Square Townhouses a better place for all of us.

The board of directors will recognize Sheryl at the annual meeting on September 17. As a recipient of the Good Neighbor award, Sheryl will receive a \$25 gift card.

Ray Gamble for Board of Directors

It’s that time again -- September is the month of our annual membership meeting and Board of Directors elections.

My name is Ray Gamble and my seat is up for election for the Board of Directors here at Independence Square Townhouses.

I have been serving on the board since 2004 and would like to serve another term with your help. I have lived here since 1985 and want to keep this a decent and affordable place to live.

For those of you who are new and/or don’t know about me, I have worked as a night auditor for Holiday Inns for about 15 years, the IRS for eight years and in a local casino for 12 years and am now semi-retired.

I hope each and every one of you will put forth the effort to be at the annual membership meeting and cast your vote. We all need to work together on this and the board needs all the input from the members it can get if we are to continue improving the cooperative.

Thank you all for your involvement and, hopefully, your vote.

Michael Gamble for Board of Directors

My name is Michael Gamble, and I live in unit 1430.

I have lived in Independence Square for about 25 years and would like to serve on the Board of Directors. I have served on the board for the past three years and have grown to be a better board member.

In my many years of living in this great community, I have seen a lot of changes, both by structure and by management. I have seen our community grow and I want to be part of making Independence Square an even better place to live.

I currently am in the nursing industry where I get to use my passion of caring for other people -- putting other people’s needs above my own.

You might have seen me around the Square, along with my faithful companion, my dog Grace, who is a border collie-

blue healer mix. She loves her home just as much as I do. She also loves to play with the kids of the community.

I look forward to working with other board members and all members of the community if I am elected to make the place where we live the best we can make it.

Independence Square is a place we can all call home and we should be proud of living here. With your help, we can continue to be a place we can be proud of.

Thank you for your consideration.

Debra Malone for Board of Directors

History: Living in the same unit at Independence Square Townhouses since 1981 gives me history of how our property has evolved over the years. When I moved here 33 years ago with my two small children, I had no idea I would stay this long.

I have considered purchasing a house a few times and the cons always seemed to outweigh the pros for me. Cooperative living has been a good fit for my family since I never have to worry about things like a new roof or furnace or some other budget-devastating issue. Here I have the benefit of painting and decorating the inside like I want to make it feel like home, unlike what I would be able to do in an apartment.

I have worked as a nurse auditor for three different area hospitals for the past 30 years. That experience has given me insight and experience in reviewing records for compliance and accuracy.

Why I want to be a board member: I haven’t run for the board before but feel it is my time to try and give back to my community and better understand the processes and events that take place in making decisions about our present and future.

What I promise should I be elected: We are all concerned when our carrying charges increase. With the cost of living increasing at an alarming rate, I am sure the recent increase was necessary to meet our current budget. But what if new ideas or rearranging the budget to better fit the needs of our cooperative could make it possible to use our money more efficiently and effectively?

I promise to work at understanding where our money goes and will review to see if we are using it in the best ways possible for our cooperative needs. I want to know what you
